Honouring Our Strengths: Indigenous Culture as Intervention in Addictions Treatment

Project Timeline

**Phase/Year 1**
Develop content areas to focus the study and create meaningful outcome indicators

**Phase/Year 2**
Construct and pilot test a culturally competent instrument

**Phase/Year 3**
Finalize indicators and integrate within the National Addictions Management Information System (AMIS)

Key:
- Activity with direct involvement of Treatment Centres or representatives
- Activity mainly involving research/project staff
